### A Message from the Director of Volunteers

Due to the COVID-19 pandemic and for the safety of our volunteers, staff and community, Whittier Hospital Medical Center has temporarily placed its Volunteer Program on hold until further notice. During this time we will not be accepting applications for new volunteers.

Our hope is that everyone remains safe and healthy during this time. Please check back with us on our website for updates.

We are looking forward to restart our program soon.

Sincerely,

Frieda Wenzara-Pastor
