A Message from the Director of Volunteers

We are happy to announce that we are currently accepting volunteer applications for adults 18 and older! Volunteers are a vital part of Whittier Hospital. Without you we would not be able to fulfill our mission to provide high quality healthcare to the communities we serve.

All required forms and vaccination requirements are uploaded in the hospital website. To apply on line, please visit <https://www.whittierhospital.com/About-Us/For-Volunteers/Volunteer-Application>. We still have paper applications for people who might not have access to a computer.

If you need additional information, please email me at Frieda.Wenzara@ahmchealth.com or call 562.464.6347. Our office is located in the Activity Center, across the street from the hospital, next to the parking structure. Please do not hesitate to contact me if you have questions or need assistance.

We are here to help you have a great experience!
