

A message from the Director of Volunteers

April 10–16 is Volunteer Appreciation Week!

National Volunteer Week is about inspiring, recognizing and encouraging people to seek ways to serve in their communities. At Whittier Hospital Medical Center, we are very proud to have a great group of volunteers that unselfishly give their time and talents to assist us in caring for our patients and their families.

To show our appreciation for your continued commitment to the Whittier Hospital family, we have planned an exciting week of fun activities. Hope you can make it to one or all of these! We will have games, prizes, food and a special gift for you! All of these events will take place at the Activity Center, 9210 Colima Road, Suite 110, Whittier.
